Essential services  
**for aviation dealmakers**

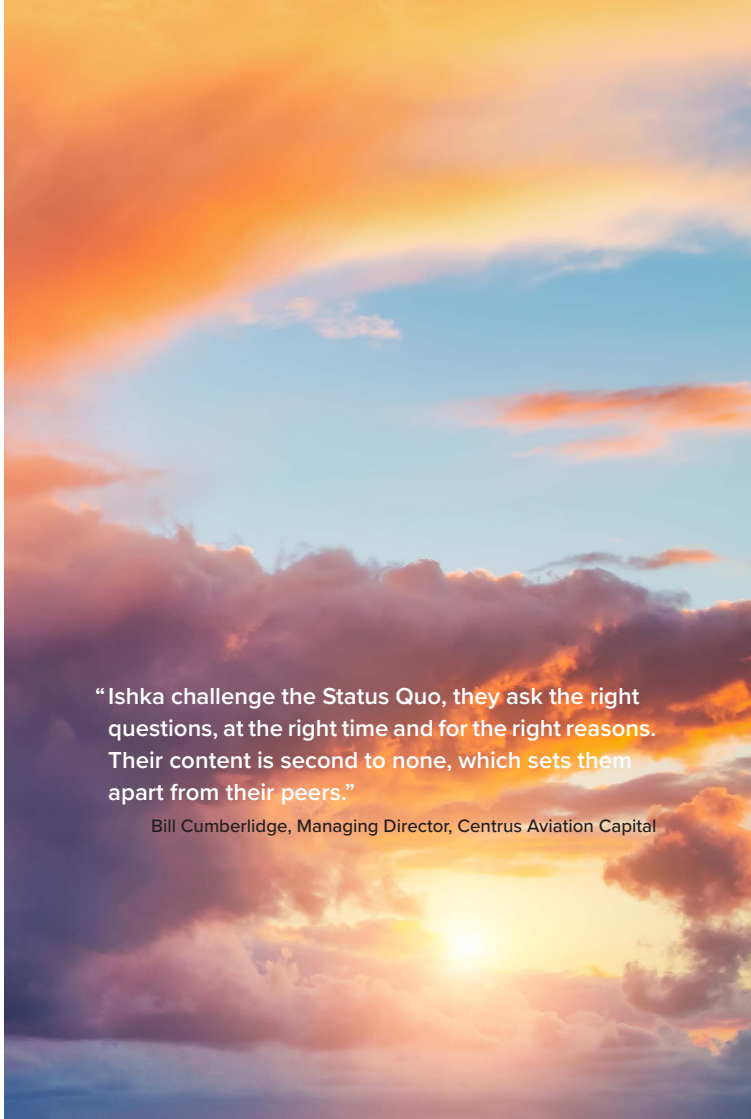

**1000s of aviation professionals  
across 80 countries rely on  
Ishka's powerful suite of data,  
information and advisory services**

## **Operating at the heart of the industry**

---

With more than 40 years' experience and long-standing relationships with lessors, institutional investors, banks, finance houses, airlines, OEMs, suppliers and the legal and insurance communities, our trusted and respected team has been responsible for supporting thousands of transactions around the world.

**Access Ishka today and chart your path to profitable growth.**

A vertical photograph of a sunset sky. The sun is low on the horizon, creating a bright glow that transitions from yellow to orange and then to a deep blue at the top. The sky is filled with soft, wispy clouds that catch the light of the setting sun, creating a dramatic and colorful scene.

**"Ishka challenge the Status Quo, they ask the right questions, at the right time and for the right reasons. Their content is second to none, which sets them apart from their peers."**

**Bill Cumberlidge, Managing Director, Centrus Aviation Capital**

# Access

“Ishka is essential to identify  
new investment opportunities.”

Daniel Rosato, Atalaya Capital Management

Our full suite of services includes:

## Insights & Analytics

---

Get beyond the headlines with our daily **Insights** short-form reports service including data-driven analysis and the respected **Ishka View**.

Gain in-depth perspectives on market-moving trends with detailed analysis and commentary from Ishka's independent team of aviation specialists, combined with rich, value-add data sets to import into your workflows and presentations.

## Advisory Services

---

Unlock opportunities with Ishka's expert **Advisory** services. Led by industry pioneer Eddy Pieniasek, our experienced team advises the top aviation finance, investment and leasing companies, airlines, manufacturers and service providers.

We apply deep domain expertise and local market knowledge to uncover new investment opportunities, improve margins and maximise the potential of your existing assets.

# Analyse

## Aircraft Transactions & Values Data

Make clear, informed and better investment and trading decisions with **Transaction Economics**.

The market has been demanding greater transparency in understanding asset values. **Transaction Economics** delivers the clarity investors and financiers have been seeking through unique, proprietary aircraft pricing and transaction data, dynamic aircraft values and lease rates data.

## Airline Credit & Risk Management Data

Power your airline analysis and identify opportunities with Ishka's advanced **Airline Credit Profiles** service.

**Airline Credit Profiles** delivers critical market intelligence you can trust to measure risk and trade with confidence. Our holistic methodology integrates a wealth of essential data sets including our authoritative Ishka credit scores together with indispensable analysis from our global team of airline analysts.

# Experience

“The crew at Ishka are global and disruptive thinkers.  
They deserve the industry’s support.”

Declan Ryan, Viva Executive Chairman and Irelandia Managing Partner
